

# DARWIN DAY

at the

Thomas A.  
**Greene Geological Museum**

*Event sponsored by the UWM Department of Geosciences*

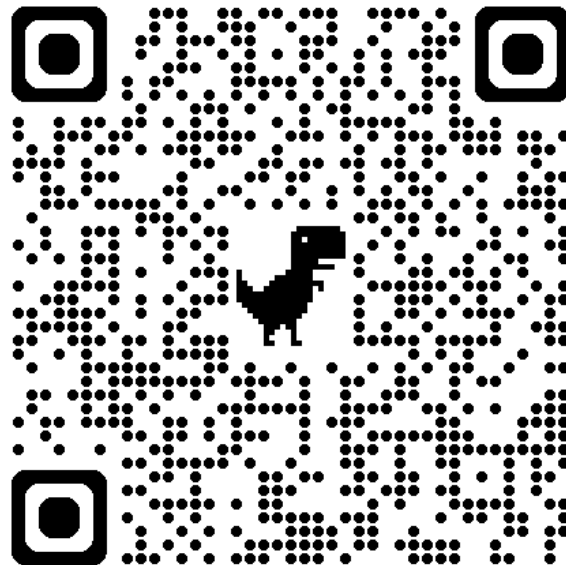

SAT  
**FEB**  
**15**

**Saturday, February 15<sup>th</sup>: 10:00 AM – 3:00 PM**

**Thomas A. Greene Geological Museum**  
*UWM campus; Lapham Hall 168*

Join us in celebrating Charles Darwin's birthday with a full day of family-friendly science fun! Explore the internationally acclaimed Thomas A. Greene Geological Museum and see ancient Wisconsin fossils and cool glowing minerals. Sit in on fascinating lectures, experience current UWM research, and win prizes through our scavenger hunt! There is something for everyone at this celebration of Wisconsin natural history.
